

SERAPHIC PARK

Racehorse Spelling & Broodmare Agistment

Situated on 65 pasture-improved acres of prime farmland, with plenty of shade and water. All paddocks have top quality fencing and automatic waters.

We are able to offer long-term agistment for your broodmare including foaling, weaning, yearling preparation right through to pre-training. We have limited places to ensure your horses receive daily handling, are well educated and prepared for their future racing careers.
